

End of Academic Year Conference for Academic Disciplines

Bad Hofgastein, Austria

June 1-4, 2009 (with a welcome event on May 31, 2009)

To experience this Alpine multidisciplinary conference, please submit an abstract, paper or proposal in any of the following tracks:

- **Social Sciences and Humanities,**
- **Business and Economics,**
- **Teaching and Education,**
- **Engineering and Technology,**
- **Physical and Life Sciences, and**
- **Interdisciplinary Studies.**

The best paper in each of these six refereed tracks will be recognized through an engraved plaque. The reviewers will select the winning papers.

It is up to each author how much to submit or publish. Some authors may publish only an abstract in the proceedings. Others may prefer to publish a longer format such as a full paper. IJAS does not ask for the authors' copyrights; authors are free to take their presentation work elsewhere and publish it in a journal.

Authors may deliver their work during any of the conference's four days either as (i) a [regular](#) presentation, (ii) a [poster](#) session, (iii) a [panel](#), or (iv) a [workshop](#).

The submission deadline for this conference is April 20, 2009.

Hotel Norica in Bad Hofgastein is our preferred hotel. It is connected by an underground tunnel where a short walk leads to one of Austria's most impressive swimming pools, the Alpen Therme, a multi-million Euro complex with the Alps towering above it.

The registration fee for one day is \$225; for two or more days it's \$340; if a co-author is included as an attendee, it's \$540. There is a separate \$40 charge per person for one dinner event.

Additional conference information is available at: <http://upcoming.yahoo.com/event/850522/>
