

Project: Design a Syllabus for a Study Abroad Program

Design a syllabus for a study abroad course that will be hosted in a different country than the one you study/work in.

Write your syllabus in a way that will meet approval by the *International Courses Committee* at your university/college that only approves courses that meet two or all of the following *course content* criteria, and are based on their commitment to, at least, three of the following *desired student outcomes*.

Course Content:

<The course content criteria will be supplied to the course registrants>

Desired Student Outcomes:

<The desired student outcomes will be supplied to the course registrants>
