

ALTERNATIVE WAYS OF REGISTERING FOR AN IJAS CONFERENCE

1. Pay through the *Pay Now* button in the **Registration** section on the conference website.

After you enter the information above the *Pay Now* button, click on the button and a new page opens that gives you **two** options, either to pay by PayPal or by credit card.

2. As an alternative to PayPal and credit card payments, you may wire a payment to IJAS' bank as follows:

Bank Address: Sovereign Bank, 310 Broad Street, Cumberland, RI 02864, USA
Beneficiary: International Journal of Arts and Sciences
Bank Routing Number: 011075150
Checking Account Number: 39704968971
SWIFT Number: Like most American banks, Sovereign doesn't have a SWIFT number. Please tell your bank to pay for the wiring expenses and include (a) your name; (b) the name of the country where the conference will be held, and (c) your Registration ID number if available.

3. Another option is to airmail a check -- payable to the *International Journal of Arts and Sciences* -- to the following address

International Journal of Arts and Sciences
Attn: Conferences Department
99 Sleepy Hollow Dr
Cumberland RI 02864-3236
USA

In your airmail letter, please enclose (a) your name; (b) the name of the country where the conference will be held, and (c) your Registration ID number if available.

4. A fourth option is to pay through Western Union. However, before doing so, please contact us for further instructions about Western Union payments.
