

ALTERNATIVE WAYS OF REGISTERING FOR AN IJAS CONFERENCE

1. For **credit card, debit card** or **PayPal** payments, go to the *Pay Now* button in the **Registration** section on the conference webpage. After you enter the information next to the *Pay Now* button on the conference webpage, click on the button and a new page opens that gives you three options, to pay by PayPal, credit card or debit card. You don't need to have a PayPal account to pay by debit or credit card.
2. Another option is to airmail a **check** -- payable to the *International Journal of Arts and Sciences* – to the following address

International Journal of Arts and Sciences
Attn: Conferences Department
55 Farm Drive
Cumberland, Rhode Island 02864-3565

The above is our new mailing address in Rhode Island.

In your airmail letter, enclose (a) your name; (b) the name of the country where the conference will be held, and (c) your Registration ID number if available.
